INES WICHERT

D&I Centre of Excellence at IBM United Kingdom Ltd

Jenny delivered an interactive, informative and engaging session on "Being Heard at Work" for a joint Societe Generale and PWN (Professional Women's Network) London event. The session attracted about 80 people and both men and women in the audience felt that they had received practical take away tips.

NICOLA ENTWISTLE

Emerging Payments, Market Development at MasterCard

As a result of attending the Happenista Leadership Programme, I am moving to Mexico for a rotation programme! The programme enabled me to speak up effectively, become more self-aware and have the confidence to go for this opportunity.
